

ELECTRONIC FILING DEMONSTRATION

Case Management/Electronic Case Filing (CM/ECF) is the new document management and electronic filing system which was instituted in the United States District Court for the District of Maryland on March 3, 2003 and in the United States Bankruptcy Court for the District of Maryland on April 21, 2003.

The system provides an easy-to-use electronic filing feature that allows attorneys to file and view documents over the internet.

Want to see it in action?

A demonstration will take place in the newly renovated federal courtroom in Salisbury. Come see how easy it is to file electronically!
